

PLAY TO WIN

“Play to Win” is a program designed to aid student-athletes and teams in preventing injury and continuing to enjoy the sports they love. The program offers quality, highly-discounted ankle, elbow, and knee braces for cash pay. At Orthopedic Specialists of Idaho, we promote injury prevention, which is why we have engaged with Breg’s orthopedic “Play to Win” team sports braces program.

Freerunner - 25% Off

The Freerunner is a soft, ultra-lightweight knee brace made to stabilize the patella. The design of the Freerunner is comfortable and compressing so athletes can focus on the game and not the brace.

Discounted Breg Price: \$77

Wraptor Ankle Stabilizer - 35% Off

Ankle braces are beneficial for athletes in a number of sports. The Wraptor Ankle Stabilizer mimics traditional taping, but doesn't leave any gaps and is made of breathable, moisture-wicking material. The high ankle strap provides additional support and will help keep your ankle protected as you play.

Discounted Breg Price: \$16

X2K Elbow Brace - 30% Off

Elbow hyperextension, as well as medial and lateral ligament instabilities, can be painful to play on. To protect your elbow from these issues, we recommend using the X2K Elbow Brace. This brace helps you maintain control in your elbows while still giving you a good range of motion.

Discounted Breg Price: \$277

Polar Care Cube - 25% Off

This product, while not a brace, is still beneficial for your muscles and ligaments. The Polar Care Cube is a cold therapy system that is easy to use at home--all you need is ice and water. The Polar Care Cube is especially useful after a tough practice, game, or physical therapy.

Discounted Breg Price:\$120

Fusion XT - 35% Off

The Fusion XT is an excellent choice for athletes who are at risk of knee injuries, specifically the ACL, PCL, and collateral ligaments. This brace offers protection while still providing athletes with a full range of motion during games and practice.

Fusion XT Custom: \$504

Fusions XT Prefabricated \$348

**OR, buy two prefabricated
braces for \$600**

How to Use the Program

To use the program and purchase a brace, follow these steps. If you don't want to have a brace fitting, skip to step three.

1. Email us @ huntsmandallingortho@gmail.com with questions
2. Stop by our office for a free brace fitting (no appointment necessary)
3. Contact our Breg sales representative, Mike Gibson at 801-259-4031
4. Order a brace using the code "Team Program"
5. Wait for your package to arrive right outside your door

We serve athletes throughout the eastern Idaho region. If you are interested in protective care, contact us for more information. If you have a current injury or have had one in the past, we recommend making an appointment with us to check on your orthopedic health.
